Description

This is a rare opportunity to acquire a beautiful new house on the outskirts of Albox. With each of the 3 Bedrooms being en suite, fully fitted Kitchen, Lounge, Dining Room, Porch, huge Courtyard(where you will find the Jacuzzi), magnificent Landscaped Gardens and a Double Garage, this would represent great value for money but throw in the fact that there is a substantial ruined cottage of some 148 sq mtrs adjacent to it and included in the price this is truly a Bargain. Must be seen.
