

Ingrid - APT 1107**A country house in the Albánchez area****Property Attributes**

Country House Semi-detached Habitable

One bathroom

Total Rooms - 9 rooms

Water ✓ Electricity ✓ Telephone ✗

Description

A very nicely restored Traditional Town house and a price which should ensure an early sale this one is a must view. The traditional features have been retained and give the house a very interesting character. Set in a small but thriving town in the Almanzora Valley all facilities are nearby. Well worth considering as a great Holiday Home or for retirement.

81,136 Euros
